WELCOME

THE MASTERS CUP IS BACK!

Hello everyone,

On behalf of the BIWPA team, we want to warmly welcome all the teams participating in the **2nd edition of the Barcelona Masters Cup**.

Founded in 2019, this tournament was designed to offer masters players the opportunity to compete in one of the leading water polo cities of the world: Barcelona, Spain.

During the past two years, we were not able to hold the second edition of the event due to the pandemic. With the return of normality, **we are delighted to welcome teams from 14 countries this year:** Argentina, Canada, Czech Republic, England, France, Hungary, Malta, Netherlands, Scotland, Serbia, Slovakia, Spain, USA and Venezuela.

We are also very happy to hold the Masters Cup at such an iconic facility. The **Municipal pools of Montjuic** were one of the venues during the Barcelona 1992 Olympic Games, hosting diving and water polo.

Besides the competition, we want all teams to have fun and connect with masters players from all over the world. Next to the competition pool, all participants will have access to **an amazing village** with another swimming pool, food & beverage service and a rest area with hammocks to relax. All of these with the best panoramic views of Barcelona! Also, we have prepared a great dinner to enjoy all together on Friday night.

We hope you have a great time and enjoy the great atmosphere. Good luck to all players!

- **Three officials per game:** One referee and two at the table (timekeeper and secretary).
